

LABQUALITY DAYS

10.- 11.2.2022 | HELSINKI MESSUKESKUS

START UP - AREA, 2nd floor

The Labquality Days Congress brings together social and healthcare professionals, laboratory medicine specialists and medical device manufacturers both in Finland and abroad.

Take the opportunity and join in to network and present your product and service to experts.

On the 2nd floor start-up lobby, you are in the middle the most topical discussions.

START-UP PACKAGE

PRICE: 200€ + VAT

Price includes:

- Table space and the opportunity to bring your own roll-up
- Visibility in the Exhibitor listing of the Labquality Days website
- Visibility in the Labquality Days mobile application exhibitor listing
